Special Installers are now available for Windows Virtual Desktop on Azure for the Black Ice Printer Drivers!

Many **large corporate customers** are **not aware** that Black Ice Software **offers a special installer** for **Windows Virtual Desktop** deployment that greatly **simplifies licensing and license management**.

Save time and money by using **Windows Virtual Desktop on Azure** deployment now supported with the Black Ice Software Special installers.

The Special Installer is only available with Enterprise license models! Special installers support both desktop and server deployment!

No more worrying about managing users and deploying to multiple desktops. Using Windows Virtual Desktop, you create one Master Image of your desktop and then push this master image out to all users.

Special upgrade offers are now available for existing customers wishing to utilize Windows Virtual Desktop deployment. Contact our sales team today for special upgrade pricing!

The Special Installer is available for the Printer driver and the Black Ice Tiff Viewer.

Free Upgrades and Priority Support

Do not forget to subscribe to future releases by purchasing maintenance. With an active maintenance subscription, you will receive all new releases for free! Priority email technical support is also included in your subscription. For more information, call us at **+1 (561)-757-4107 Extension 3**, or sales@blackice.com.

As a special offer, if your maintenance subscription has expired or you did not include the maintenance subscription in your original purchase, simply refer to this newsletter to renew or add maintenance retroactively!

For license information, please visit our [Customer License Management Portal](#).

*Only valid for new purchases, no upgrades or add-ons. This offer cannot be combined with any other discounts.
